

CTF Insp3ct0r

Madison Ormsby

March 4, 2024

By right clicking on the website and clicking "Inspect", I was able to scan the elements of the page. When I hovered over the "How" header, a third of the flag was revealed (1/3)

The other two parts of the flags were hidden inside the Sources tab of the Inspect panel, 2/3 was in [mycss.css] and 3/3 was in [myjs.js]
